

AME Faculty Lecture Recording options

Please see list below of resources and locations to record your virtual lectures.

1) Reserving a classroom to record a lecture

- Email [Ami Jones \(amijones@arizona\)](mailto:amijones@arizona) with your request to record a lecture in a classroom on campus. Include the following:
 - Availability, length of lecture, preferred classroom or tech capabilities
- [Link to interactive map](#)
- [Link to Centrally Scheduled Classroom](#) map
 - Can filter by equipment, building location, room type
- Record with [Zoom](#) or [Panopto](#)

2) UA Libraries

- [One Button Studio](#)
 - User-friendly space to create high-quality videos. Contains lighting, green screen, and cameras connected to PC. Instructions on use are located in the room. Bring your own flash drive.
- [Collaborative Faculty Room](#)
 - Teaching station, display monitors, (no camera)

3) [Auto-record your lectures in your classrooms](#)

4) [Other info about Panopto](#)
